

Dear Parent(s) and Students:

This year in our classroom we will be using a version of Love and Logic to help students remember classroom rules. The rules will be stressed from the beginning of the year and will remain in effect all year.

The Rules:

- I will treat you with respect, so you will know how to treat me and others.
- I will speak kindly to you and I expect you to use kind words when speaking to me and your classmates.
- If you can't solve the problem, or choose not to, then I will solve it for you.
- What I do will depend on the special person and the special situation.
- If you feel something is unfair, whisper to me, "I don't think that's fair." and we'll talk about it.

Rewards:

- Verbal praise
- E-mails or notes home
- SURPRISES!

Consequences:

- A letter written by the student will be sent home for parents to read, sign and return to school.
- The situation will be documented.

This will be discussed with the students in our classroom. If you have any questions, please email or call me!

Thank you,
Mrs. Abraham

I have read your Classroom Rules and Plan and understand its goal.
